

## **First Latvian national roundtable within the "Baltic Euroregional Network", 1-2 November 2005, Balvi, Latvia**

### **Participants of the roundtable agreed on the following plan of action for the near future:**

1. One person at the Ministry of Regional Development and Local Governments (MRDLG) should be appointed as a contact person for contacts with the Euroregions
2. Each Euroregion must submit the name of its contact person to the person appointed by the MRDLG
3. Date and time for meeting of Euroregions' representatives with the State Secretary of the MRDLG Mrs. Ilze Kukute is to be set
4. At this meeting the representatives of Euroregions will offer concrete suggestions for action
5. In co-operation with the INTERREG Secretariat in Riga, the euroregions should initiate the process of delegating the evaluation and finance administration of small projects to euroregions in the next programming period
6. Co-operating with the project „*External border initiative*” experts on taking into account the interests of euroregions in the future endeavours on the EU external border
